When you are:

Not registered for VAT, the amount we pay will be the sum insured/limit of indemnity or any other limits of insurance cover, including VAT; 2. Registered for VAT, the amount we will pay will be the sum insured/limit of indemnity or any other limits of insurance coverage and where you are liable to pay an amount of VAT in respect of an acquisition relevant to your claim, we will pay the VAT amount. However, we will reduce the VAT amount we pay for by the amount of any input tax credits to which you are or would be entitled to if you had made the relevant acquisition. In such instances, the input tax credit would be claimable by you upon the filing of your VAT return.

All policyholders making a claim with Sukoon must declare their VAT registration status and provide their VAT registration number. Any VAT liability arising from your incorrect declaration is and will be payable by you (the Insured/Policyholder). Where the settlement amount of your claim is less than the sum insured/limit of indemnity or any other limits of insurance cover, we will only pay an amount of VAT (less any entitlement to an input tax credit) applicable to the settlement amount.
